

NUSPEQ2023 - International Symposium on Nuclear Spectroscopy for Extreme Quantum Systems

Wednesday, 8 March 2023

Session 8 - Plaza Verde Convension Hall B (16:10 - 17:40)

time	[id] title	presenter
16:10	[42] Structure and correlations in light neutron-rich unbound systems	Prof. ORR, Nigel
16:40	[23] Visualization of nuclear cluster correlations in microscopic wave functions	MATSUMOTO, Moemi
17:10	[8] Determination of strengths of cluster states near reaction threshold	TANG, Xiaodong
