

The 1st IReNA-Ukakuren Joint Workshop “Advancing Professional
Development in Nuclear Astrophysics and Beyond”

Contribution ID: 44

Type: **Invited talk**

Neutrino physics in massive star evolution and core collapse supernova

Friday, 1 September 2023 09:30 (40 minutes)

Primary author: KATO, Chinami

Presenter: KATO, Chinami

Session Classification: Core-Collapse Supernova Explosions
