

# The 1st IReNA-Ukakuren Joint Workshop “Advancing Professional Development in Nuclear Astrophysics and Beyond”

## Wednesday, 30 August 2023

**Nuclear Matter: Morning - 2 - Large Seminar Room (Subaru Building) (10:00 - 11:40)**

-Conveners: Justin Grace

time	[id] title	presenter
10:00	[5] Kaons in nuclei: theoretical calculations of the anti-kaon-nucleus interaction and the implications	YAMAGATA-SEKIHARA, Junko
10:40	[23] Self-Consistent Superfluid Band Calculations for Neutron Star Inner Crust	Mr KENTA, Yoshimura
11:10	[58] Dark matter effect on the neutron star equation of state	PARK, Jubin
